

## Essential Vocabulary 6th Grade Draft

Algorithm  
Benchmark  
Common multiple  
Conjecture  
Coordinate graph  
Dimensions  
Equivalent expression  
Equivalent probability  
Experimental probability  
Exponent  
Factorization  
Greatest common factor  
Intersection  
Least common factor  
Line of symmetry  
Line plot  
Line segment  
Outcomes  
Outlier  
Parallel lines  
Parallelogram  
Perfect number  
Pi  
Prime factorization  
Probability  
Proper factor  
Ray  
Reflection symmetry  
Regular polygon  
Rotation symmetry  
Scalene triangle  
Simulation  
Square number  
Stem-and-leaf plot  
Theoretical probability  
Transversal  
Tree diagram  
x axis  
y axis
