

READING INSTRUCTION GOALS FOR K-5 CLASSROOMS IN 2009-2010

100% of classroom teachers will fully and effectively implement Making Meaning.

100% of certified teachers will effectively implement Guided Reading with all students in kindergarten through 5th grade following the format of the Observation Checklist (Guided Reading Guidelines).

100% of certified teachers will regularly analyze running records to focus Guided Reading instruction for all students in kindergarten through 5th grade.

100% of certified teachers will effectively implement all three core routines (Directed Reading Thinking Activity, Question-Answer Relationships, and Reciprocal Teaching) to increase the depth of student comprehension.

*** In Support of the Goals***

The Balanced Literacy Implementation Guide (BLIG) will be referenced when planning instruction to ensure effective implementation of all components of Balanced Literacy.
